ANNUAL REPORT OF THE BISHOP AND COUNCIL

To the Thirty-Fifth Annual Council:

The Bishop and Council of the Diocese of Northern Indiana respectfully report:

During the past year four meetings have been held.

On June 28, 1932, the Council met at St. Paul's Pro-Cathedral, Mishawaka, and the members were assigned to the different Departments, with the following as Chairmen:

Missions ..... The Rev. L. C. Ferguson
Social Service ..... The Rev. James E. Foster
Religious Education ..... The Rev. Earl R. Hart, LL. D.
Finance ..... Mr. Seth F .Green
Publicity ..... The Rev. A. L. Schrock
The Field ..... The Rev. C. N. Tyndell, S. T. D.

On the recommendation of the Finance Committee it was decided that a questionnaire should be sent to all the parishes to find whether the "Parish Cash Book" prepared by the Finance Commission of the General Convention is in use in all parishes.

(2) That the Finance Committee of the Diocese might employ an Accountant to audit the books and accounts of all parishes and missions in the Diocese, paying him a specified amount per month.

(3) That the Secretary of the Bishop and Council be instructed to notify the Priests in Charge, and the Treasurers, of such parishes and missions as receive assistance from the Missionary Funds of the Diocese, that, beginning September 1st, 1932, no payments will be made from Missionary funds unless monies are received from said parishes and missions in such definite amounts as may be determined by the Finance Committee, to meet the monthly payments for their Diocesan Assessment, and to provide for the liquidation of their indebtedness on the Assessment.

At the September meeting the Rev. Dr. Tyndell reported on the preparation for the Field Department Conference October 5th, 1932. He also presented his resignation as Chairman of the Department and as a member of the Council, to take effect immediately after the Conference; on account of his expected departure from the Diocese. His resignation was accepted, with expressions of regret, and appreciation of the work he has done. The Rev. A. L. Schrock was elected as Chairman of the Field Department.

An adjustment of the payment of the premiums, past due, on the salary of the secretary of the Diocese, proposed by the Church Pension Fund, was accepted by the Council; to be paid from credits of the Diocese, then in the hands of the Pension Fund.

Because many parishes had not found it possible to pay the Diocesan assessments and were delinquent for the years 1931 and 1932, the treasurer had found it necessary to borrow money in order to meet in part the obligations of the Diocese while others remained unpaid.

The executive board of the Woman's Auxiliary of the Diocese, having learned of this distressing condition of the Diocesan Treasury, proposed, with the consent and approval of all the members present at their District Meetings, that the amount in the "Memorial Fund of the Diocese, which had been raised by their efforts, should be contributed to the Diocese to relieve somewhat the distress. The Council accepted with expression of grateful appreciation this generous offer of the Woman's Auxiliary.

From this Fund there was realized the sum of $2,392.14 to be applied on the debt of the Diocese.

The following resolution was adopted:

Whereas we are now in abnormal times owing to the depression and are aware of the serious difficulty on the part of many Parishes and Missions to pay their delinquent Diocesan Assessment in full before the meeting of the Diocesan Council,

And whereas, it is imperative that we have at the Diocesan Council

as full Lay representation as possible,

Therefore, be it resolved, that for this year, and without setting precedent the treasurer of the Diocese be authorized and instructed to accept notes from delinquent Parishes and Missions for unpaid balance of 1931 and 1932 assessments as of date of Annual Council. Such notes bearing 1% interest, for six months, with privilege of renewal in case of emergencies; this action having been taken with the advice and full approval of the Chancellor of the Diocese.

At the January meeting the Field Department reported that the result of the Annual Canvass, Pledges for the support of the Church's Program amounting to $1,647.83 had been received, and "expectancies" of $1,133.76. Total, $2,781.59. The Pledge to the National Council was made $2,000.00 including the Lenten Mite Box Offering.

At the meeting held April 20, 1933, the Budgets were prepared for the year 1934.

For Diocesan Expenses $4,500.00
For The Bishop and Council, and the different Departments $6,287.00

The items of Budgets will be reported by the Finance Committee.

The following resolutions were adopted:

Resolved: That the Bishop and Council of the Diocese recommend to the Council the adoption of the following resolution:

Resolved: That the Council of the Diocese does hereby authorize the Bishop and Council, with the advice of the Finance Committee, to review and revise any and all Budgets adopted by the Diocesan Council of 1933, to meet any emergencies arising from financial conditions.

The following was also adopted:

The Bishop and Council respectfully suggest that the Bishop, at his discretion, appoint a Committee to act with him in conferring with the Diocese of Indianapolis concerning the possibility of a merger of the two Dioceses.

Respectfully submitted,
Lewis C. Rogers, Secretary.

Discussion on the Report:

The Bishop stated that he had had a brief conference with the Bishop of Indianapolis regarding the merger of the two Dioceses, but it was a matter requiring further time for consideration on the part of the older Diocese and nothing definite could be announced at the present time.

The Resolution authorizing the Bishop and Council to review and revise the Budgets adopted at this Council was, on motion, adopted.

Further discussion of the Report was, on motion, postponed until after luncheon, which was announced as ready to be served. After offering the noonday prayers for Missions a recess was taken.

AFTERNOON SESSION

After luncheon, served by the members of St. Hilda's Guild, in the Parish House of St. James' Church, The Bishop again called the Council to order, and, after prayer, the consideration of the Report of the Bishop and Council was resumed.

Mr. E. C. Borneman inquired concerning the use of the Memorial Fund for Missions of the Diocese, raised by the Woman's Auxiliary, should be regarded as a gift, or a loan. Mr. Haberly responding, stated that it was his understanding that it was a donation of the Woman's Auxiliary and had been so applied on the debts of the Diocese.

The Bishop explained that Miss Goldthwaite who had been largely responsible for the raising of the Fund, had been moved by the present distress of the Diocese to ask the Executive Committee of the Auxiliary to donate the sum for the purpose of paying on the indebtedness, and that the women of the Auxiliary, at their District Meetings had voted that it should be given.

Mr. Borneman then moved that the Diocese should pay back the money as soon as possible, and re-establish the Memorial Fund. The motion was seconded by Rev. L. C. Ferguson, and Rev. W. J. Cordick.

Rev. James E. Foster moved that the motion be laid upon the table and the motion was seconded by Mr. Green. The vote being taken with 26 ayes, and 11 nays, it was so ordered.

The Report of the Bishop and Council, as read, was then on motion, duly approved and adopted.

REPORT OF THE COMMITTEE ON UNFINISHED BUSINESS

Rev. James E. Foster presented the following:

To the Thirty-Fifth Annual Council:

The Committee respectfully reports—That we have examined the Journal of the last Council, and find no unfinished business, except that the Notice of the General Convention of 1931, of certain changes in the Constitution should be referred to the Diocesan Committee on Canons, for study and report to the next Annual Council.

(Signed)
James Foster.
E. N. Ripley.

It was moved that the changes be referred to the Bishop and Council for study and report, instead of the Committee on Canons. The motion was carried, and the report as amended accepted.

REPORT OF THE FINANCE COMMITTEE

Mr. Seth F. Green then presented the following:

To the Thirty-Fifth Annual Council:

The Finance Committee begs leave to report:

During the year the Finance Committee had conferences at the times the Bishop and Council held their meetings.

Members present: Mr. Seth F. Green, Chairman, Mr. J. A. Johnson, Mr. F. M. Little, Mr. J. H. Haberly, Mr. Duncan J. Campbell.

At the meeting of January 11th, the budget for the year 1933 was revised and reduced from $5,500.00 to $5,100.00, which was approved by the Bishop and Council.

A resolution was approved and accepted making it possible for every Parish and Mission of the Diocese to be able to have Lay Members present and qualified with power to vote on questions coming before the Annual Council. A copy of this resolution was mailed to every Parish and Mission by the Diocesan Treasurer, under date of April 3, 1933.

The Woman's Auxiliary of the Diocese of Northern Indiana paid to the Diocesan Treasurer the sum of $2,392.14 to be applied on the Diocesan debt, with instructions that $1,500 00 of that amount be applied to reduce past assessments upon Parishes and Missions. Complying with this request the Diocesan Treasurer was directed to credit each Parish and each Mission on a pro-rata basis which was equal to 27% of its assessment. Notice of this action was mailed by the Diocesan Treasurer to all Parishes and Missions.

At the meeting held April 20, 1933, the Budgets for the year 1934 were submitted and approved by the Bishop and Council.

You will note that the Budgets have been cut down far below any previous ones, and we herewith request permission to distribute a copy of the 1934 Budgets for your consideration and adoption.

You will please note a very generous refund Bishop Gray pays to the Treasurer.

Respectfully submitted,
THE FINANCE COMMITTEE.
Seth F. Green, Chairman.

On motion the Report was accepted, and the copies of the Budgets distributed. Action on the Budgets was deferred until later in the day.

REPORT OF THE TRUSTEES OF THE DIOCESE

To the Annual Council of the Diocese of Northern Indiana:

The Trustees of the Diocese of Northern Indiana herewith submit their annual report.

A meeting of the Trustees was held on April 28th, 1933, and received the report of the First Trust and Savings Bank of Mishawaka, Indiana, holding the funds and investments under special agreement with the Trustees of the Diocese of Northern Indiana. A complete report setting forth the name of the securities, the par value, the interest rate, yearly income and probable actual income are fully set forth on the attached sheet marked Exhibit "A" and made a part of this report.

The probable actual income set forth shows securities uncertain in regard to income for the current year and will show a reduction of actual income owing to present financial conditions. The yearly income, as set forth, on all securities should be $3,959.50, but the probable actual income for the current year will be about $2,527.00, showing a loss of income of approximately $1,462.50. A complete list of securties now in the Endowment Fund are listed on the attached sheet.

Mr. James H. Haberly presented and read the

ANNUAL REPORT OF THE TREASURER OF THE DIOCESE
(For the year 1932)

To the 35th Annual Council Diocese Northern Indiana

The Rt. Rev. Campbell Gray,
and Representatives:

Gentlemen:

I believe it is in order to analyze the financial condition of the Diocese and that which has been accomplished in the past year and a half as well as to give consideration to the economic problems, the magnitude of which the world has never before experienced, and world wide economic pressure that has stagnated business and thwarted man's inactivity, bringing fields of endeavor down to the lowest point of activity.

The Treasurer of your Diocese has made an earnest effort to do his job during the past fiscal year ending December 31, 1932, and from personal knowledge of conditions in certain of the parishes, I believe if we are fair we will accept results of the year as being fairly satisfactory.

In the year of 1932 there were only two parishes who made no remittances during the year. (,St. James, Goshen, and St. Paul's, La-Porte). This I do not wish to convey as meaning that the other churches paid in full, as the statement in the general audit which will be submitted later showing transactions with parishes and missions for the year gives their exact status of payments and delinquencies. But I do

wish to make a clear statement that every parish in the Diocese responded at least in part with the exception of two during the year. I am very happy to report that one large parish consistently delinquent during 1931-32, started in 1933 to recognize their Diocesan obligation and have consistently paid their 1933 Diocesan Assessment each month and in addition, a part of their delnquency. It surely would be great if we all who are delinquent could bring about that action.

Through the very generous gift of the Woman's Auxiliary your Diocese was able to free itself from all bank loans and is in that position at the time of this report.

The entire liability of the Diocese at the close of books 1932 totaled $3,151.88 and there is due from parishes and missions $5,782.88, sufficient to liquidate the Diocese of all debt if and when it can be paid.

I can say to this Council that this is the best financial statement the Diocese has been able to put out in recent years and I sincerely hope and urge that the parishes will accept this challenge and do their utmost to pay up delinquencies as rapidly as times and conditions will permit and safeguard your Diocese in the work that she is endeavoring to do. I do not think it is out of the way, for surely it should be no secret from this body to know that obligations accruing during this fiscal year of 1933 are not being met. We all know the financial and economic history that has been made since the first of this year, referring to the Michigan bank situation which was followed by all of the other States of the Union; the national banking holiday and the difficulty in which numerous banks found themselves after the crash of the depositor for his money. All of this slowed up every activity of our national life. And again I appeal to the parish rectors and their treasurers for help to keep the Diocesan credit liquid, for I think that we all see a brighter horizon at this moment.

I want to thank the rectors and treasurers of all of the parishes for their co-operation. You know you learn to know people by indirect contact and it has been a pleasure in the short while I have been your treasurer to be active in this work and if I can be of any service at any time to the treasurers, I would be very happy to render that service upon their request.

Respectfully submitted,
James H. Haberly.
Treasurer Diocese Northern Indiana.

AUDITOR'S REPORT

Mr. James H. Haberly, Treasurer,
Diocese of Northern Indiana
Fort Wayne, Indiana.

Dear Sir:

I have made an examination of the records in your office as Treasurer of the above organization, for the year ending December 31, 1932, and submit herewith for transmittal to the proper officers of same, the following Schedules:

Statement of Receipts and Disbursements, for the year ending Dec. 31, 1933—classified and analyzed.
Comparison of Disbursements for the year 1932 with the Budget adopted for the year 1932.
Financial Statement, as of Dec. 31, 1932.
Statement showing transactions with Parishes and Missions during the year 1932.

The auditor has endeavored to make the statements herewith as self-explanatory as possible. However, reference to the Financial Statement as of Dec. 31, 1932, shows $5,782 88 due from Parishes and Missions, with a corresponding liability of $308.25. The difference between these two figures—$5,474.63—is shown on the last column of the Statement showing transactions with same. The allocation of $1,490.95 of the gift from the Women's Auxiliary resulted in credits to certain Parishes and Missions that have met their assessments.

Receipts from all sources, as shown by the books, were checked against proper deposits in bank, and all checks and vouchers were carefully examined. The bank account was reconciled both at the beginning and the end of the year.

CERTIFICATE: Subject to the comments above, I hereby certify that the accompanying schedules are true statements of the transactions of James H. THE REPORT OF THE DEPARTMENT OF MISSIONS

To the Thirty-fifth Annual Council of the Diocese:

The Department of Missions respectfully reports:

The following have served on the Department: The Rev. Lawrence C. Ferguson, Chairman; Dean Rogers, Secretary; Rev. William J. Cordick; Rev. Albert L. Schrock; Mr. Glen R. Sawyer; Mr. D. J. Campbell: Mr. Archie Price.

During the year four meetings of the Department have been held, and the work of the Missions has been carried on according to the plans in effect at the last Council, with the funds from the pledges from the Parishes of the Diocese for 1932. and the appropriation from the National Council, reduced from $6,200.00 to $5,580.00.

On October 1st, Rev. Frank M. Kelso, officiating under the Rector of Christ Church, Gary, ministering in St. Augustine's Chapel, Gary, and St. Stephen's Mission, Hobart, resigned, on account of illness, and the Missions were arranged to be cared for by Rev. James E. Foster, with a Grant at the rate of $250.00 each, per annum.

A Grant was also made to the Rector of St. Thomas' Church, Plymouth, for extra missionary work to be done in caring for people of the Church in Warsaw, and Columbia City, at the rate of $500.00 per annum.

A Pilgrimage was made by the Chairman, accompanied by Fathers Cordick and Schrock to the Missions and Parishes in the Calumet District.

Beginning January 1, 1933, the appropriation to the Diocese was again "Cut" twenty percent from 1932, leaving the amount $4,464.00, which, with the decrease from the pledges from Parishes, made it necessary to reduce the stipends of all the Missionaries, as will be shown by the report of the Department of Finance.

The Rector of the Church of the Good Shepherd, East Chicago, will also be Rector of St. Alban's Church, Indiana Harbor, with a Grant for the latter Parish from the Department.

Father H. K. Hemkey has been transferred to St. Andrew's Mission, Valparaiso, with a Grant of $432.00.

The budget of the Department for 1934 was prepared, amounting to $5,837.00 as shown by the report of the Finance Committee, which it is hoped will be adopted by this Council.

Respectfully submitted,

Lewis C. Rogers, Secretary.

On motion, the report was accepted, and the Budget of the Department for 1934 was duly adopted.

The Rev. Earl R. Hart, LL. D., read the

REPORT OF THE DEPARTMENT OF RELIGIOUS EDUCATION

The following were members of the Department of Religious Education: Rev. George J. Childs, Rev. L. C. Ferguson, Rev. Peter Langendorff, Rev. Charles H. Young, S. T. D., Mr. Martin V. Starr, Mr. Glen R. Sawyer, J. A. Johnson, Mrs. Walter Crandall, Educational Secretary of Woman's Auxiliary. Rev. Earl Ray Hart, LL. D., acted as chairman throughout the year.

Several meetings were held and attendance at these meetings was commendable.

The most important piece of work done by the Department was at the suggestion of Mrs. Robert Happ, Diocesan president of the Woman's Auxiliary. Feeling the need of social and educational contact of the people of the Diocese, the need for a summer conference was expressed. The Department has whole-heartedly cooperated with the enlarged group combining the Woman's Auxiliary of the Diocese of Indianapolis and Northern Indiana and the Department of Religious Education of both Dioceses.

Plans have been formed for the holding of a summer conference at Howe School from June 25th to June 30th of the year 1933. It is rather impossible to include the entire program in this report inasmuch as the report is to cover activities of the year 1933 but your Department wishes to stress the importance of this summer conference and to urge a whole-hearted cooperation on the part of both the Clergy and the Laity in being there themselves and influencing the attendance of others.

So far, as reports have been received the Church Schools throughout the Diocese seem to be enlivened with an endeavor to make a success in intrinsic worth rather than in number of enrollments. It is urged that each Parish and Mission earnestly endeavor to bring into their ranks all children between the ages of three and the senior year of High School. We believe this to be the most productive years for spiritual instruction and growth in Church allegiance. We must realize that all other activities of the Church are auxiliary to the development of the child. Without the forward look which comes from the school, our Parishes would indeed be in a sad plight.

The Chairman wishes to express his appreciation to all those who

have cooperated in this most important work and urges for the Department which will be chosen at this Council, the same enlivened interest and successful completion of programs.

The report of the Mite Box Secretary is appended hereto and made part of this report.

Respectfully submitted,
Department of Religious Education.
By Earl Ray Hart, Chairman.

The Report was accepted.

The Budget for the Department for 1934, as reported by the Finance Committee at $75.00, was on motion, adopted by the Council.

The Rev. E. R. Hart, LL. D., presented the following

REPORT OF THE REGISTRAR

To the Thirty-Fifth Annual Council:

The Registrar respectfully submits his report for the Council year 1932, as follows:

All Diocesan Journals received have been filed. Current copies have been preserved. Obsolete ones destroyed. No other documents of importance have been received for the year.

Earl Ray Hart,
Registrar.

The Rev. Albert L. Schrock presented the

REPORT OF THE DEPARTMENT OF PUBLICITY

To the Thirty-Fifth Annual Council of the Diocese:

During the Conciliar year the following persons have served as members of the Department: The Rev. Albert Linnell Schrock, Chairman and Treasurer; the Very Rev. Lewis C. Rogers, Secretary; Messrs. Martin V. Starr and Archie Price.

At a meeting of the Department held in the office of St. James' Parish, Goshen, Tuesday, June 21, 1932, there were present the Bishop,

Rev. Frs. Rogers and Schrock, and Mr. M. V. Starr, members of the Department; and the Rev. Charles K. Thomson, Rector of St. Mark's Church, Coldwater, Michigan, and the Rev. L. W. Applegate, of Hobart, upon invitation of the Department.

The plan of Father Thomson for combining The Spirit of Missions with a Diocesan and Parish paper was carefully considered and he was authorized, subject to the approval of the Bishop and Council, to interview the Clergy of the Diocese relative to the feasibility of the plan in their respective Parishes and Missions. Fr. Applegate gave the Department some valuable observations based on his many years experience in publishing Parish papers, and heartily endorsed the plan proposed. Endorsement of the Bishop and Council having been subsequently secured. Fr. Thomson spent several days in interviews with a number of the Clergy, most of whom cordially approved his plan, but who felt that this was not an auspicious time for launching such a project. It has therefore been indefinitely postponed.

During the year the Chairman of this Department has served as Diocesan Correspondent for the four Church Weeklies: The Living Church, The Witness, The Churchman, and The Southern Churchman; and for the National News Bureau. Your correspondent again solicits the interest and cooperation of all the clergy and lay leaders in this work. He believes that it is of value to have all news of more than merely local interest appear in the Church papers. In order to avoid errors and to be perfectly fair to all, he has made it a rule to send in to the Church press only such items as are sent to him in writing for this purpose. Of course, he cannot guarantee that all items will be published as submitted, or, in fact at all; but he does want to say that the Church press has been most gracious to us during the past year and we believe that Northern Indiana has been "on the map" more than in many years, thanks to the splendid cooperation of those who have sent items to your correspondent and to all of the Church papers.

The following statement covers the finances of the Department for the calendar year 1932:

REPORT OF THE FIELD DEPARTMENT

To the Thirty-Fifth Annual Council of the Diocese:

The Field Department was organized by the appointment of the Rev. Chas. Noyes Tyndell, S. T. D., Chairman; the Rev. Albert Linnell Schrock, Secretary; the Rev. Lawrence C. Ferguson, Supplies Secretary; Mr. Seth F. Green, Treasurer; and the following members: The Rev. Earl Ray Hart, LL. D., the Rev. James E. Foster; Messrs. James H. Haberly, Duncan J. Campbell, Glen R. Sawyer, Archie Price, Major F. M. Little; and Mrs. Robert Happ, President of the Diocesan Woman's Auxiliary.

At a meeting held in Trinity Parish House, Fort Wayne, Thursday, June 23, 1932, plans were made for the Annual Fall Conference under the auspices of the Department. It was decided to invite women as well as laymen to attend the Conference this year, also that those attending be requested to pay for their luncheon and thereby relieve the Department of this, the largest item of expense.

The Annual Conference was held in St. James' Parish House, South Bend, on Wednesday, October 5, 1932. There was an early Eucharist in St. James' Chapel, and luncheon at the Oliver Hotel. Guest speakers were the Rt. Rev. Warren L. Rogers, D. D., Bishop of Ohio, and Mr. Courtenay Barber, of Chicago, National President of the Brotherhood of St. Andrew. The Conference was presided over by the Chairman, Dr. Tyndell. It was in the main educative in nature, short talks being given by the chairmen of the various departments of the Church's activity as follows:

The Rev. A. L. Schrock on Publicity.

The Rev. James E. Foster, Chairman Social Service.

The Rev. L. C. Ferguson, Missions and Church Extenson.

Mr. Seth F. Green, Finance.

Mrs. Robert Happ, the Woman's Auxiliary.

Mrs. W. H. Fritz, the Girls' Friendly Society.

Then followed a brief presentation of the plans for the Every Member Canvass by Fr. Schrock who had been appointed Chairman of the Department to succeed Dr. Tyndell who was soon to leave the Diocese. Bishop Gray urged all to observe the Day of Prayer and Intercession to be held throughout the Diocese on Friday, November 25th, and dismissed the Conference with his blessing.

The Every Member Canvass was held in most of the Parishes and Missions of the Diocese, the period from November 26th to December 11th having been officially designated for this purpose. The following is a report of the results of this Canvass as reported to the Field Department.

Respectfully submitted,
THE FIELD DEPARTMENT.
A. L. Schrock, Chairman.

The Rev. James E. Foster presented the folllowing:

REPORT OF THE DEPT. OF CHRISTIAN SOCIAL SERVICE

To the Diocese of Northern Indiana

In Council assembled on May 3, 1933.

The activities of this Department have included:

1. The necessary business of keeping in touch with the Department of Christian Social Service of the National Council, with such National and State organizations as we could co-operate with for social service work, and with our own field.
2. The study of social service problems which particularly concern the Church and Churchmen in this Diocese.
3. Co-operation with the similar department of the Diocese of Indianpolis in arranging for Churchmen present at the State Conference to meet and worship together.
4. The issuance of bulletins through which information given or gained and suggestions for its use were passed on to others interested.

This, of course, is not a report of the amount or extent of Social Service work carried on in the Diocese for that is done in the parishes and missions. Acting on a suggestion informally made at the last meeting of the Bishop and Council the department wrote the Clergy of the Diocese asking for some report on such work as has been done in their cures. St. James of South Bend, St. Andrews of Kokomo, St. Marks of Howe, Trinity of Michigan City, and St. Paul's of Hammond responded Howe, Trinity of Michigan City, and St. Paul's of Hammond responded, all showing commendable interest and effort in various ways to assist those in need. In two of these parishes we note that there are Social Service Guilds and in another that there is a Welfare Department of the Women's Auxiliary. We suggest that either one of these organizations may well provide in other parishes for the carrying on of social work unless it is otherwise arranged for.

A budget for the year 1934 is requested—$25.00.

James Foster,
Chairman.

On motion the report was accepted and the budget allowed.

ADOPTION OF BUDGETS

The budgets of the different Departments having been adopted, it was moved that the Budget of the Bishop and Council be adopted as a whole, and the motion carried, the amount being $6,287.00.

The Budget for Diocesan Expenses, as presented by the Finance Committee was carefully considered, the items approved, and the Budget adopted as a whole, $4,500.00.

COMMITTEE ON THE STATE OF THE CHURCH

The Rev. A. L. Schrock, Chairman of the Committee, reported verbally, that he had been unable to prepare a suitable report, because many of the Parochial Reports were so late in coming in for the year 1932, that it had been impossible to analyze them, or to make any comparison with the results of other years.

He made a plea for a different basis for levying the Assessments upon the Parishes for Diocesan Expenses, and the apportionments for the Church's Program, on the ground that the present assessments bring a heavy burden upon the small Parishes and submitted a list of the Churches in the Diocese showing the amount per Communicant in each for the last year, as follows:

Appendix A

THE BISHOP'S ADDRESS 1933

This year is the Centenary of the Oxford Movement—that great spiritual revival both in the American Church and in the Church of England. This awakening has long since transcended anything like partisansmip, and has had its great influence throughout the entire Anglican Communion. Catholic faith and practice is not contradictory to evangelical truth but is based upon the Gospel, and brings to us the liberty whereby Christ hath made us free. The three schools of thought among us ought not to be antagonistic but blended as three strands into one strong cord. This does not mean compromise nor comprehensiveness in a loose sense, but a real unity built upon the faith once for all delivered to the saints.

The Bishop of Chicago has invited the Bishops of this Province and the Dioceses thereof to join with him and his Diocese in the celebration of this event in the City of Chicago on September 30th and October 1st of this year. A reply to this invitation should be made by this Council today.

The following clerical changes have taken place within the conciliar year: The Rev. Charles Noyes Tyndell, S. T. D., has resigned as Rector of Trinity Church, Fort Wayne, and has been transferred to the Diocese of Western New York. The Rev. Warren C. Cable, who was a non-parochial priest of this Diocese, has been transferred to the Diocese of South Florida. The Rev. Harry Kroll Hemkey has resigned as Rector of St. Alban's, Indiana Harbor, and has been placed by the Bishop in charge of St. Andrew's Church, Valparaiso. The Rev. Alexander E. Pflaum is still Rector of the Good Shepherd, East Chicago, and has been placed by the Bishop in charge of St. Alban's, Indiana Harbor, instead of St. Andrew's Valparaiso. The Rev. Frank Melvin Kelso has resigned his Missionary Work under Father Foster in the Calumet District, and is now non-parochial. The Rev. Walter Laurence Fielding Haylor, non-parochial, who was officiating as curate at St. James', Cleveland, Ohio, under the license of the Bishop of Ohio, is now locum tenens at Christ Church, Chattanooga, under the license of the Bishop Co-Adjutor of Tennessee. The Rev. Irving Todd resigned as Instructor at Howe School, and has retired on pension. We welcome to our midst the Rev. James McNeal Wheatley as Rector of Trinity Church, Fort Wayne, where he has been duly instituted after having been canonically transferred from the Diocese of Chicago to the Diocese of Northern Indiana. The Rev. Henry L. Ewan, who was locum tenens at Gethsemane, Marion, St. Paul's, Gas City and St. Luke's Hartford City, officiating under the license of the Bishop of this Diocese, has been duly elected and instituted as Rector of Gethsemane, Marion, and placed by the Bishop in charge of the missions, after having been duly transferred from the Diocese of Quincy to the Diocese of Northern Indiana.

On May 31st, 1932, I ordained to the Priesthood, Walter Laurence Fielding Haylor in St. James' Church, Cleveland, Ohio, with the consent of the Bishop of Ohio.

On September 25th, 1932, I ordained to the Diaconate, James Tolmie Golder in the Church of the Good Shepherd, East Chicago.

Your Bishop asks your prayers for the repose of the soul of Thomas H. Brandon, for many years a Trustee of the Diocese of Northern Indiana. He was always most faithful in the performance of his duties, never failing to be on hand when called and always arriving on time, giving zeal and intense interest to his work.

Clara Edgerton, recently departed, was in former years an active member of the Women's Auxiliary of the Diocese, and has left in her Will a residuary legacy to the Memorial Fund for Missionary Work in the Diocese. I also commend her soul to your prayers.

If in this past year there have been any deaths of other persons prominent in Diocesan life, whose names have not been reportd to your Bishop, thir names may be given to the Committee on Memorials.

(Suitable prayers from the Prayer Book)

For the first time in the history of the Diocese under the present regime, we closed the year without any note at the bank. This is due to the generosity of the Women of the Diocese, and also to the fact that we have spent much less than was allowed in the budget, through various economies and by simply getting along on what has come.

This does not mean, however, that we are entirely free from debt, but what we do owe, we owe among ourselves. There is a Thousand Dollars due from the Treasurer of the Diocese to the Hobart Lot Fund. There is an item something over Eleven Hundred Dollars still due from the Treasurer of the Diocese to the Bishop's House Fund, and there are obligations of former years to be met by the arrears in payments of assessments due from '31 and '32.

The Memorial Fund is still in existence in that the contract between the Trustees of the Diocese and the First Trust and Savings Bank of Mishawaka, is still intact and in force, and there is a small balance in this Fund placed there by Women of the Diocese from iheir offering at their Annual Meeting.

Miss Clara Edgerton of Fort Wayne has set up a Trust Fund leaving certain bequests, and then there follows a residuary clause stating that the income from the balance of the Fund is to go to her brother as long as he lives, and upon his death to the Memorial Fund of the Woman's Auxiliary of this Diocese. The principal is not to be paid to that Fund, but only the interest. As yet I have received no official communication as to how much this will probably bring in, nor, of course, do we have any idea as to when it will be available.

There is perhaps no need of any action to be taken upon this matter by the Council, as the Woman's Auxiliary passed suitable resolutions at the Annual Meeting on April 25th, but it may not be amiss for us to express the hope that many others will follow ths laudable example of Miss Edgerton and remember the Church in their Wills.

While we are on the subject of finances, may I say that your Bishop very sympathetically realizes and so does the Bishop and Council, the serious condition of the finances of the parishes and missions of the Diocese. There is, I believe, not a single clergyman in the Diocese, including the Bishop, who is not behind more or less in receipt of salary. Many of the parishes have mortgages, and most parishes and missions have money tied up in banks. And the people from whom the support of the Church comes, are in the same boat. The only practical solution that I can see, is for us to take what comes in, make it go as far as it will, and pile up no indebtedness. Of course, urging everyone to give honestly to the best of their ability. The back-salary of the Bishop I shall wipe out and cancel off in one way or another, in consultation with the Department of Finance.

It is again necessary this year to call your attention even more strongly than formerly, to the canonical requirements that the books of all parishes and missions, and also the Annual Parochial Reports to the Bishop, must be audited not just by anybody but by a proper accountant.

It is an encouraging thing that in the midst of these trying times we are going to be able to revive our Summer Conference. The inspiration for this came from the faith and courage of the Women of the Diocese. The matter was then taken over by the Diocesan Department of Religious Education in conjunction with the Executive Board of the Woman's Auxiliary. The next step was an approach to the Diocese of Indianapolis, and we had a joint meeting of the Bishops and representatives from both Dioceses. The Conference is to be held at Howe School beginning with supper Sunday, June 25th, and going through luncheon Friday, June 30th. It is to be a joint Diocesan Conference of the Dioceses of Indianapolis and Northern Indiana. In alternating years the two Bishops are to be President of the Conference and Chaplain respectively. For this year at least, the faculty will be drawn almost entirely from people within the boundaries of these two Dioceses, thus

saving expense and creating a bond of fellowship. Already enthusiastic response has come from many places in both Dioceses and there ought to be a good attendance. There will be general courses, courses for the clergy, for women, for young people, for boys and for girls. There will be abundant opportunity for recreation as well as inspiration. The cost will be only $7.00 for five days, which suggests the slogan "You can't afford to stay at home."

In conclusion, let us sound a note of hope and courage and confidence. In passing through trying times like these, one of two results is sure to come. We never emerge from a crisis just the same that we were before. Problems, difficulties and sufferings either get our nerves on edge, embitter us, and make us sour and irritable and discontented with ourselves, or else these things develop character and strengthen us, drawing us closer together in the fellowship of bearing one another's burdens. Out of the darkness and the silence, let us train ourselves first to listen for the voice of our dearest Friend, our Blessed Lord and Master, who is ever our companion on the road. This means a deepening of our spiritual life and a practice of the presence of God. As we are all members of Him, we should find in him the companionship of one another. In this spirit of mutual fellowship, let us bravely assume our moral responsibility toward God and to the Church, and our mutual obligations one to another. Loyalty to our Blessed Lord and loyalty among ourselves as friends and members one of another, will go a long way toward the solution of our difficulties. Our prayers, our devotions, and our sacramental life will give to us the power of vision that we may see the road and know the way which leads to sacrifice, that through the Cross we may have the Victory and the Triumph of our Risen and Ascended Lord.
